

Angle Electrical Tower Transmission Tower Q235 SS400

You are welcomed to come to our factory to buy the latest selling, low price, and high-quality Angle Electrical Tower Transmission Tower Q235 SS400, Mao Tong looks forward to cooperating with you. The level of galvanizing reaches the international advanced level, and the anticorrosion effect can reach 20-30 years.

Product Description

Mao Tong is a professional Angle Electrical Tower Transmission Tower Q235 SS400 manufacturers, have many years of experience accumulation and the advantages of all kinds of tower products has been at home and abroad enjoy reputation, for the purpose of quality, service for the purpose, six major advantages make decisive you choose our company cooperation, focus: putting pen to paper and varied products strict production process, offers: Manufacturers supply, no intermediate link, price preferential, quality: product quality after inspection factory, service: set design, production, maintenance as one of the services, factory: steel structure production base, team: customer service pre-sale and after-sales consultation, maintenance services.

Angle steel tower inventory, specifications diversification support customization, the current long-term production of Angle steel tower 10KV, 35KV, 66KV, 110KV, 220KV, 330KV, 500KV, 750KV, 800KV, 1000KV.

The advantage of Angle Electrical Tower Transmission Tower Q235 SS400

1. Able to process according to customer requirements or instructions (optimization design)
2. Strong quality assurance ability, passed ISO90001 international quality system certification
3. The level of galvanizing reaches the international advanced level, and the anticorrosion effect can reach 20-30 years.

Angle Electrical Tower Transmission Tower Q235 SS400 Quick Details

Standard:
ASTM GB

Tel: +86-13626425211

E-mail: Maotongdianli88@163.com

Grade:

Q195-Q420 Series

Place of Origin:

Shandong, China

Brand Name:

Maotong

Model Number:

65*4

Type:

Equal/Unequal

Application:

Engineering Structure

Tolerance:

±1%

Angle Electrical Tower Transmission Tower Q235 SS400 Processing Service:

Bending, Welding, Punching, Decoiling, Cutting

Alloy Or Not:

Non-Alloy

Invoicing:

by actual weight

Delivery Time:

Within 8-15 days

Product name:

Angle Bar Tower

Keywords:

Angel Steel Bar

Angle Electrical Tower Transmission Tower Q235 SS400 MOQ:

1 Ton

Shape:

Equal Unequal

Technique:

Hot Rolled

Item:

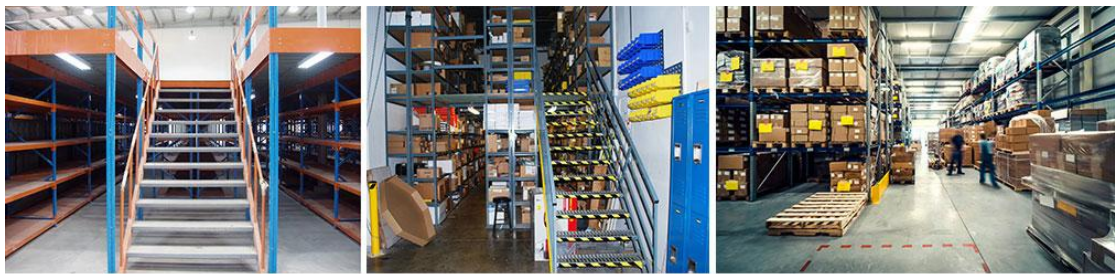

Building Structure Materials

Packing:

Nylon Bags

Payment:

T/T,L/C/Union Etc

Qingdao Mao Tong Power Equipment Co., Ltd.
